

Math Study Skills: Get to Know Your Math Course

Traditional Math Course

Directions: Answer these questions after your first day of class. You may need to re-read the syllabus to answer all the questions. If you don't know the answer to one of these questions, ask on the second day of class. Put this page in front of your syllabus as a quick reference for the course.

1. What should I do if I miss a test? Will I be able to make it up? Do I need to contact the instructor?

2. What is the attendance policy for this course? Will I be dropped at some point if I miss too many classes?

3. Is homework collected? When is it due? How are the problems graded?

4. What should I bring with me to class every day?

5. Which of my instructors' office hours fit into my schedule? (days / times)

6. How can I get help in this course if I have a question?
 - a)
 - b)
 - c)

7. How is the grade broken down? (what percentage for tests, for HW, etc.)

8. What is my instructor's name?
